Text and Voice Call Management for Mobile Devices Patents Available on the Ocean Tomo Bid-Ask™ Market

Ocean Tomo Bid-Ask™ Market patent portfolio auction of US patents related to text and voice call management for mobile devices.

CHICAGO, IL (December 19, 2018) Ocean Tomo Transactions, LLC will auction a portfolio of US patents related to text and voice call management for mobile devices. The patents in [lot 83](#) relate to technology that provides for text and voice call A1:C18 on mobile devices allowing the mobile device user the option to provide a voice caller or text message sender notification of the recipients preferred means of communication at that time and presenting an option to complete using that method.

The patents in this auction would be of interest to companies involved in telephone and smartphones, telecommunications, messages, social media and other technology areas.

To request bidder credentials or for further information on this auction or other auctions on the Ocean Tomo Bid-Ask™ Market, contact Layna Guo at LaynaGuo@OTI.com or 1-312-327-8179.

About the Ocean Tomo Bid-Ask™ Market

The [Ocean Tomo Bid-Ask Market](#) is an open on-line platform to buy and sell patents. This market is an important step forward, both as a simplified solution for patent transactions as well as a source of information on patent pricing. The Ocean Tomo Bid-Ask Market uniquely combines the efficiency of an online platform with an experienced team of brokers fluent in both English and Mandarin. The market uses standard transaction documents and is open, transparent and free to view.
