Consumer Goods Reordering Patents Available on the Ocean Tomo Bid-Ask™ Market

Ocean Tomo Bid-Ask™ Market patent portfolio auction of four US patents related to consumer goods reordering on a stand-alone device.

CHICAGO, IL (December 18, 2018) Ocean Tomo Transactions, LLC will auction a portfolio of four US patents related to consumer goods reordering on a stand-alone device. The patents in [lot 84](#) relate to technology that covers the reordering of consumable commodities including automatic reordering and reordering by clicking a specialized button on a stand-alone device. The technology proves to be a time saver from existing purchasing/ordering processes.

The patents in this auction would be of interest to any online retailer of consumer goods.
