

ASSET LIST

LOT 93: COHERA MEDICAL TISSUGLU® SURGICAL SEALANTS AND ADHESIVES PATENTS

Ocean Tomo Transactions has been retained by the Assignee of Cohera pursuant to an Assignment for the Benefit of Creditors, to conduct a private auction of the Cohera Medical Inc® absorbable surgical adhesives and sealants global patents, open applications and trademarks. The sale is by order the Chancery Court for the State of Delaware.

Subject to any approval that may be required by the Chancery Court for the State of Delaware in connection with the Assignment for the Benefit of Creditors of Cohera®, the highest bid as of February 25, 2019 (Midnight, PST) in the private auction, will acquire the intellectual property assets for the formulation, delivery device and methods covered by the Cohera surgical adhesive and sealants intellectual property.

Marketed by Cohera under the tradename TissuGlu®, the practice of the art disclosed in the patents resulted in the first 100% synthetic internal surgical adhesive approved for sale in the United States.
